Program Information

Enrollment	Admission Status	Change of Status Date (Provisional to Regular)
		Date
First Enrolled		
Expected Graduation		
Diagnostic Exam		
Qualifying Exam	Written : Oral :	

Dissertation Topic:

Program of Study

Core Courses (15 credits)	Course #	Credits	Instructor	Term	Grade
Modern Biomedical Instrumentation	BME 820	3			
Mathematical Modeling in Physiology	BME 821	3			
Bio materials	BME 826	3 9595			
Biomechanics	BME 895	3			
Responsible conduct in research					

Primary a dvisor's comments on student's recent and overall academic and research progress

Research advisor's approval	Date
BME GPD approval	Date
