

2018 MESSAGE FROM THE President's Task Force on Inclusive Excellence

As we begin the year 2018, we are pleased to share with you the findings of the President's Task Force on Inclusive Excellence. The report, "Inclusive Excellence: Creating a Culture of Belonging and Success for All," is a call to action for our university to embrace diversity and inclusion as a core value and a source of strength. The report outlines a vision for a more inclusive and equitable campus, and provides a roadmap for achieving this vision. The report is organized into three main sections: the current state of the university, the vision for the future, and the actions we need to take to get there. The report is a living document, and we will continue to update it as we learn more about our campus and the challenges we face. We encourage you to read the report and share your thoughts and ideas with us. We are committed to creating a campus where everyone belongs and has the opportunity to succeed.
