4. U.S. Department of State Elevated Travel Advisories

- a. Student Travel: The University does not support student participation in educational activities in locations where a U.S. Department of State Travel Advisory Level 4 (Do Not Travel) has been issued, or to any region within a country with an elevated, persistent, or transient health, safety, or security issue (e.g., U.S. Department of State Travel Advisory Level 3 or Centers for Disease Control and Prevention (CDC) Level 2 or 3, or other unique safety issue concerning to the University). Students will not receive University sponsorship — including credit for academic programs, financial aid and scholarships, funding for research, or endorsement of co-curricular and extracurricular activities — if traveling to these countries without approval. All travel advisories are updated regularly and can be accessed at the [U.S. Department of State website](#). See Section 6 for information on filing a petition/waiver for approval of travel to a prohibited area. Students are required to contact a CGE staff member prior to beginning the petition process to ensure the petition/waiver is warranted.
- b. Faculty/Staff Global Travel: The University does not support faculty and staff travel activities in locations where a U.S. Department of State Travel Advisory Level 4 (Do Not Travel) has been issued, or to any region within a country with an elevated, persistent, or transient health, safety, or security issue (e.g., U.S. Department of State Travel Advisory 3 or CDC Level 2 or 3, or other unique safety issue concerning to the University). Faculty and staff will not receive University support if traveling to these countries without approval. All travel advisories are updated regularly and can be accessed at the [U.S. Department of State website](#). See Section 6 for information on filing a petition for approval of travel to a prohibited area.
